

CECILIA BATTOCCHI

TRANSLATOR

A resourceful and driven personality, she recently completed the Sectorial Translation Professional Master at SSIT in Pescara. She can count on strong motivation and a willingness to grow professionally as a translator, putting to use years of work experience in the field of scientific research. Experience that has resulted in her publishing about 20 scientific papers in peer-reviewed journals, and participating in numerous international conferences. Proactively oriented toward achieving individual and team goals.
